Extra Fine Pillow Tops, Size 18x18 Fifty Cents Each

Made from any picture that is clear and distinct on the finest quality of mercerized saten. In fast, lasting colors. They can be washed and ironed the same as a piece of linen without damaging the picture or fabric. They are made in light blue, pink, white, or a beautiful golden-rod. In sending orders for pillow tops, just write "pillow top" on back of picture, and state color wanted. Use the same instruction envelopes used for enlarged pictures. We cannot re-group pictures for pillow tops, they must be made the same as the small picture.

Finished Bromides, Extra Fine Quality

Grade 1, 16x20 or smaller, \$.50. Grade 3, 16x20 or smaller, \$.75.

On heavy cardboard. Stretchers 10 cents extra on all sizes. Hand colored in life tints 25 cents extra. We cannot furnish bromide enlargements from dim or mutilated pictures. Photographers please send good prints in place of original negatives.

We recommend bromides for groups, full figures or scenes. As there is no additional charge for extra heads or full figures, it is best to have bromides made the same as small sizes, if possible. Do not hesitate to order bromides in black and white or colors, for the likeness is bound to be perfect. We have many customers who are ordering 90 per cent of their work in bromides because, when delivering, their customers are always pleased and they have a better chance to sell a frame at a profit.

Notice to Foreign Trade and Rural Districts

Owing to the high transportation charges on small shipments of finished portraits or bromide enlargements, we will make same on canvas stretcher at an additional cost of 10 cents to the prices above quoted, cut same off of stretcher, and forward by mail at a postage charge of ten cents for each enlargement. Include this amount with your order and give plain shipping instructions.

Always prepay charges when sending pictures to us for enlarging. Tell your Express Agent to send same under SECTION "D" and you will obtain a special rate. When sending by mail first-class postage is required. Have your Postmaster weigh the package, and place sufficient amount of stamps on same, for it is his duty to hold the package unless sufficient postage is attached.
